Thank you for being here.

**WHEREAS**, the Rape Crisis Center provides 24-hour support to sexual assault victims and their families through direct services, prevention education, and professional training to all residents of Mobile County; and

**WHEREAS**, the Rape Crisis Center serves a cross section of people of various races, socio-economic, and educational levels; in 2021, the center provided 277 crisis phone calls, 171 hospital calls, office visits, follow-up/victim support calls, court advocacy, family/friends support, clothing bank, dolls/bears given to child victims, transportation, information, and referrals to community agencies; and

**WHEREAS**, communities must make every effort to promote programs and activities that create strong and thriving children and families; and

**WHEREAS**, we acknowledge that we must work together as a community to increase awareness about child abuse and contribute to promote the social and emotional well-being of children and families in a safe, stable, and nurturing environment; prevention remains the best defense for our children and families;

**NOW, THEREFORE, LET IT BE RESOLVED**, that the Mobile County Commission does hereby proclaim April 2022 as:

**National Child Abuse Prevention Month**

in Mobile County, Alabama; furthermore, we urge all citizens to recognize this month by dedicating ourselves to the task of improving the quality of life for all children and families.

-----

**Madison Wright, Parent Network, Class Facilitator, The Family Center:** Good morning. I am filling in for Danyele Schmidt, Director of Programs, The Family Center, this morning. We wanted to thank some of our other agencies in the community. We have:

- Babies First - Alabama
- Goodwill Easter Seals
- Alabama's Children's Trust Fund

In 2020, we saw two thousand four hundred sixty-three (2,463) cases of child abuse and neglect here in our area. One of our mantras for The Family Center is we believe that strong families build strong communities. We want to take the time to thank our other agencies who do the work they do to help prevent and nurture families and strengthen our communities, as well as the Mobile County Commissioners for being here with us today to recognize child abuse and neglect. Thank you.

**Commissioner Merceria Ludgood:** Could each of you introduce yourselves and the organization you represent?

- Kirara Seldon, Program Manager, Babies First Program - Embrace Alabama Kids
  - Kristi McClellan, Grant Writer, Embrace Alabama Kids
  - Christy Babin, Youth Support Worker and Parent Educator, Embrace Alabama Kids

**Sharee Broussard:** We have several people from the Public Works Department.

- Ryan Hopkins, Public Service Worker II
- Byron Broughton, Public Service Worker I
- Timothy Lewis, Public Service Worker I
- Mike Green, Auto Service Worker I
- Donald Dixon, Division Transportation Superintendent

As you know, National Work Zone Safety Awareness Week is this week, April 11, 2022 through April 15, 2022. The point of it is to stress the importance of drivers slowing down in work zones.

**President Hudson:** Absolutely.

**Sharee Broussard:** There are a lot of national statistics about it. One of the things I found amazing was that most of the actual fatalities in the work zones are of the drivers and not so much of the workers. It's important for everyone that we slow down in work zones.

**President Hudson:** Well, gentlemen, we're not going to let you off easy. You're going to have to come down and have a picture with us this morning. We appreciate you.

**Sharee Broussard:** Thank you all for coming down and allowing us to get a photo.

---

**Sharee Broussard, Public Affairs Director:** We do not have any more speakers. President Hudson, I'm not sure if you would like to acknowledge County Government Month or if you would like for me to do so. We also have the National Community Development Awareness Week.

**President Connie Hudson:** Why don't we wait till the end of the meeting for announcements, and then we'll do that.

**Sharee Broussard:** Perfect. Thank you.

COMMISSION ANNOUNCEMENTS  
AND/OR COMMENTS

**Commissioner Randall Dueitt:** It's not every day that you get to bring a rod, reel, and tackle box and dress a little funny for a County Commission Meeting. It's all in good fun. I just want to make the announcement that the Mobile County Commission is excited. Obviously, I am more excited than maybe the other two (2) Commissioners.

**President Connie Hudson:** I'm pretty excited.

**Commissioner Dueitt:** Where's your fishing pole?

**President Hudson:** I don't have one.

**Commissioner Dueitt:** We will be reopening the Cedar Point Pier this afternoon. As everyone knows, we acquired it back at the end of November 2021. We had a little bit of renovating that we had to have done. That work is complete, and we will be having a ribbon cutting ceremony at 1:00 p.m. this afternoon. After the ribbon cutting ceremony, the pier will be back open for business. I encourage and welcome anyone who is available to come down and join us for the ribbon cutting for the opening of the Cedar Point Fishing Pier.

**President Hudson:** Can I use your fishing pole?

**Commissioner Dueitt:** Absolutely. I have some more in the truck.

**President Hudson:** Okay. Very good. That's great news. I look forward to that today.

-----

**President Connie Hudson:** I'd like to announce that April is National County Government Month. For more than thirty (30) years, the National Association of Counties has encouraged counties across the country to spread awareness of county government responsibilities, services, and programs. This year's theme is "Counties thrive." There's a lot of events and activities going on April 22, 2022, and throughout the month of April 2022 in Mobile County. If you'd like more information on those, you can look it up on the website <https://www.mobilecountyal.gov> to find out more.

We have an art contest that is featuring the theme "We invest in our earth because" for Mobile County students in grades kindergarten through 12th grade. Earth day events

**Sharee Broussard, Public Affairs, Director:** No, ma'am, you didn't. I just want to encourage everyone to follow us along on social media because we're about tripling our normal post production this month.

**President Hudson:** Fantastic.
